Is there life after supervillainy? Ask Jerry and Clarence, two hapless ex-henchmen trying to make their way in the world—and maybe find a decent pair of pants. A superhero buddy comedy that takes a hard look at what happens after the fight, when the villains are tired of being villains and the heroes aren't as heroic as they seem. It was written by Tyrone Finch (Swine, Station 19) and gorgeously drawn by Sebastian Piriz (We Ride Titans).

Marry a science fiction writer, become science fiction! That's the law of Greenwich Village in the late 1950s, home of poets, artists, musicians, writers, their put-upon partners—and the extraterrestrial spores that are secretly taking them over! Novelist/comics writer Alisa Kwitney (The Sandman Presents) mixes science fiction with period drama and family memoir, featuring stunning art by Mauricet (Star Wars Adventures).

SNOOCHIE BOOCHIES, ARCHIE FANS!! Yes, you read that right—acclaimed writer, director, actor, producer, and podcaster Kevin Smith takes the teens you know and love from Riverdale on the wildest ride of their lives. What's supposed to be a summer job at Quick Stop for Archie Andrews turns into so much more; from a budding friendship with co-worker Randal Graves, crashing a Pussycats concert, a potential new love interest, Jay and Silent Bob being, well, Jay and Silent Bob, and a musical number that will be burned into your brain forever. Plus, could Jay and Silent Bob even help Archie to finally choose between Betty and Veronica? SNOOGANS!! Featuring legendary Archie artists Fernando Ruiz and inker Rich Koslowski, this is a DOUBLE-SIZED, CAN'T-MISS event FOR MATURE AUDIENCES unlike anything we've ever done before!

CREATOR FEATURE: **KEVIN SMITH**

KS: I believe it was Stoic philosopher Epictetus who first said "Everything's Archie." And he was right. Whether it be Veronica in *Clerks* or the Mister Weatherbee conversation in *Chasing Amy*, the influence of Archie Andrews is mixed into the brick and mortar of my pop cultural foundation. So there was no way I was passing up this incredible opportunity to collide the worlds of Riverdale and the Askewniverse, and introduce icons on the order of Archie, Betty, Veronica, Jughead, Moose, Reggie, Josie to reprobates like Jay and Silent Bob. I couldn't be happier that the first crossover Secret Stash Press has ever done is with Jesse and the good folks at ARCHIE COMICS. Everything's Archie, and Archie is everything.

CREATOR BIO

Kevin Smith is a screenwriter, actor, film producer, and director, as well as a *New York Times* bestselling author, comic book writer, comedian/raconteur, and Internet radio personality best recognized by viewers as Silent Bob. He has directed movies such as *Clerks, Mallrats, Dogma*, and *Chasing Amy* and written four previous books and numerous comic books. He currently hosts the comedy podcast SModcast, the Hulu show *Spoilers*, and the AMC show *Comic Book Men*.

CREATOR FEATURE: **FERNANDO RUIZ**

FR: Never in a million years did I ever expect to see *Archie Meets Jay & Silent Bob* much less get to draw it. As a lifelong New Jersey native and longtime fan of Kevin Smith, *Clerks* and the rest of the Askewniverse, I'm thrilled to be drawing it. I try to put my love and excitement for these characters and this project onto every page and I hope it shows!

CREATOR BIO

A graduate and now Academic Supervisor of the legendary Kubert School, Fernando Ruiz has been working as a professional cartoonist and illustrator for over twenty-two years. Much of his comic book work has been for Archie Comics where he was the regular artist on such notable series as *Archie's Weird Mysteries, The Man From R.I.V.E.R.D.A.L.E.*, the Eisner-nominated *Life With Archie Magazine* and the Ghastly Award winning *Archie Vs Predator*. Fernando has also worked with other companies such as Dark Horse Comics, Image, Chapterhouse Comics, Dynamite, and Pixie Trix Comix. Fernando's self-publishing efforts include *The Iron Ghost*, and acclaimed graphic novel, *DIE KITTY DIE*. DEATH IS COMING

BAD IDEA

NOT FINAL ART

FROM DEREK KOLSTAD CREATOR OF JOHN WICK

The explosive 48-page first issue of the record-breaking series premieres in a high end, deluxe prestige format!

From the minds of blockbuster screenwriter **Derek Kolstad** — creator and writer of the box office dominating motion picture franchise JOHN WICK — and New York Times best-selling writer **Robert Venditti** (*Superman '78, Green Lantern*), along with artistic visionaries **Tomás Giorello** (*Star Wars, Conan*) and ten-time Eisner Award-winner **Dave Stewart** (*Star Wars, Hellboy*) comes a groundbreaking new sci-fi epic.

Millions of miles from home, hundreds of ships descend into the stormy atmosphere of a hostile frozen world. On board, an army of resolute men and women brace for the coming assault.

They are an invasion force, on an impossible mission — destroy the devastating enemy weapon garrisoned below. Corporal Scott and his battalion are in the vanguard but the human forces are no match for their brutal alien adversaries. Scott's battalion is dead within moments. He is its lone survivor. The landing force annihilated, the battle is lost.

Against overwhelming odds, Scott dares the unthinkable — cross behind enemy lines, survive the lethal landscape, evade capture by ruthless enemies, resist natural predators, face human deserters and finish the mission singlehandedly. Locked in his suit of full combat battle armor, sustained only by what he can carry, and driven by Earth's wrath, Scott must do by himself what an entire army could not.

Destroy the weapon.

Return home.

GROUNDBREAKING SERIES COLLECTED AT LAST

Described as superheroes through the lens of Elmore Leonard & Quentin Tarantino, this uber-hip, groundbreaking series of tour de force stories from New York Times best-selling author **Matt Kindt** (*BRZRKR*) and iconoclastic illustrator **David Lapham** (*STRAY BULLETS*) is now being made widely available for the very first time. This meticulously curated collection contains the complete saga of THE HERO TRADE thus far, as well as a wealth of bonus material and behind-the-scenes content exclusive to this edition.

The seemingly straightforward tale of a man with the body of a superhero in the trunk of his car, driving from one nefarious organization to another and selling it piece by piece. An ordinary man at the end of his rope, this score is his last shot, one night to make good. He's bound and determined to carve out a place for himself in this world, even if he has to do it one bloody body part of Captain Fab at a time. His black market buyers all looking for a piece of the superpowered action, to own a piece of the paragon. To collect it. To touch it. Even taste it. Because eating even a tiny piece of The Fab? Grants you unbelievable powers. Ingest a drop of Captain Fab's blood? Develop a miraculous healing factor. Feast on an eyeball, snort some teeth dust, dine fabulously and take the ride... although the powers you get may not be what you expected.

This is THE HERO TRADE. There have been many groundbreaking explorations into the superhero genre. This is not one of them. However, it may be the first groundbreaking exploration of the people who consume the superhero genre.

HE ROLLED ME UP LIKE A GRILLED SQUID

YOSHIHARU TSUGE

TRANSLATED BY RYAN HOLMBERG

A manga icon's most perplexing, transgressive, and astounding work of horror and surrealism

By the mid-1970s, Tsuge Yoshiharu was a man changed by circumstance—something his work from 1975 to 1981 boldly reveals. After settling into married life with fellow artist Fujiwara Maki (author of Eisner-winning *My Picture Diary*), Tsuge would return to the narrative formulas that he knew best: tall tales exchanged between fellow travelers, macabre parables tinged with magical realism, and the enduring comedy of the domestic everyday in a Japan rebuilding itself in the decades following the Second World War.

And yet the confusion and mental illness simmering beneath the surface of his more surreal works come to a rolling boil, reaching an unsettling and horrific crescendo in a series of nightmarish delusions. *He Rolled Me Up Like A Grilled Squid* captures a midcareer author taking stock of his anxieties and suspicions while connecting the dots between his seemingly monotonous present and his complicated past. Confrontations between both periods in his life are explored through the lens of his deteriorating mental state, expressed directly through experiments with different visual styles collected in this volume.

Translated by prolific art and comics historian Ryan Holmberg, *He Rolled Me Up Like A Grilled Squid* is a veteran storyteller's most compelling observations about people at their most human.

NEW PAPERBACK EDITION

YOU'RE ALL JUST JEALOUS OF MY JETPACK

TOM GAULD

The inaugural collection of cartoons that introduced Tom Gauld's literary wit to the world now in paperback!

"Precise and wryly hilarious...Gauld's both a literature nerd and a science-fiction nerd whose deadpan mashups belong on the same shelf as Kate Beaton."—*NPR*

Drawn from Tom Gauld's popular comics feature in *The Guardian*, *You're All Just Jealous of My Jetpack* perfectly distills Gauld's dark humor, impeccable timing, and distinctive style. Classic strips like "The Brontë Sisters: The Videogame" and "The Serious Rock Critic" (who's written 32 books about Led Zeppelin) intermingle hilariously with piercing observations about politics and human behavior (see: "The Greedy Dog Stands on the Chair of Hope to Feast on the Sausage of Hubris") and whimsical imaginings of the future (see: "The 'Great Automaton Strike' of 2029 Saw the Birth of the Robot Protest Song").

Again and again, Gauld reaffirms his position as a first-rank cartoonist, creating work infused with a deep understanding of both literary and cartoon history.

TRUE COLORS: GROWING UP WEIRD IN THE '90S

ELISE GRAVEL

TRANSLATED BY MONTANA KANE

Growing up is always just a little too much for a kid to handle, but taking your time is all it takes

Tweeny-bopper Elise knows she's different, but kind of just chalks it up to being a weirdo. And in the 90s, who isn't? Other girls might be shifting their attention to boys, but Elise is putting the freeze on all that adult stuff to get lost in play with her besties and pour her energy into making her art. Besides, what's the point in rushing when being a kid is such a blast?

In *True Colors: Growing Up Weird in the 90s*, Elise invites readers into the pages of her diary and takes them back to a radically different time before smartphones and home computers. It's a world where fun means going to the mall and making mix tapes on cassette, and where imagination reigns supreme! It's also a world where making new friends can be confusing, nerve-wracking, and utterly mind-boggling.

Creative and curious kids, anybody dealing with anything from not fitting in, to anxiety—or even an ADHD diagnosis—will see themselves in the pages. And through it all, Gravel shows the power of art and creativity to transform, as we see Elise turning her differences into her superpower in this funny and encouraging artistic origin story.

WEREWOLF?

The werewolf theory sure would explain a lot. I've been feeling like a mutant lately. I can wake up as chipper as a newborn chick, and then BAM! Ten minutes later, I feel like biting someone.

Honestly, at this point, I actually wouldn't mind turning into a werewolf, or even a zombie. I don't feel like being me today anyway.

Being ME these days is absolutely EXHAUSTING.

I just can't deal with my own brain anymore. It's constantly spinning out of control and churning out tons of CRAZY ideas.

CHAPTER ONE

Which is about Moomintroll and Sniff following a mysterious path to the sea, pearl-fishing, the discovery of a cave, and how the Muskrat avoided catching a cold.

The Moomin family had been living for some weeks in the valley where they had found their house* after the dreadful flood (which is another story). It was a wonderful valley, full of happy little animals and flowering trees, and there was a clear narrow river that came down from the mountain, looped round Moominhouse, and disappeared in the direction of

*It was painted blue. Moominhouses usually are. *Translator.*

another valley, where no doubt other little animals wondered where it came from.

One morning—it was the morning that Moomintroll's pappa finished building a bridge over the river—the little animal Sniff made a discovery. (There were still plenty of things left for them to discover in the valley.) He was wandering in the forest when he suddenly noticed a path he had never seen before winding mysteriously into the green shadows. Sniff was spellbound and stood gazing at it for several minutes.

"It's funny about paths and rivers," he mused. "You see them go by, and suddenly you feel upset and want to be somewhere else—wherever the path or the river is going, perhaps. I shall have to tell Moomintroll about this, and we can explore it together, because it would be a bit risky for me to go alone." Then he carved a secret sign on a tree trunk with his penknife, so that he could find the place again, and thought proudly: "Moomintroll *will* be surprised." And after that he scooted home as fast as he could so as not to be late for lunch.

Moomintroll was just putting up a swing when Sniff got home. He seemed very interested in the mysterious path, and directly after lunch they set off to have a look at it.

Halfway up the hill on their way grew a clump of blue-trees covered with big yellow pears, and of course they couldn't get past that without Sniff deciding that he was hungry.

"We'd better only take the windfalls," said Moomintroll, "because mamma makes jam from these." But they had to shake the tree a little so that there *were* some windfalls.

Sniff was very pleased with their haul. "You can carry the provisions," he said, "because you haven't got anything else to do, have you? I'm too busy to think about things like that when I'm the Path Pioneer."

When they reached the top of the hill they turned and looked down at the valley. Moominhouse was just a blue dot, and the river a narrow ribbon of green: the swing they couldn't see at all. "We've never been such a long way from home before," said Moomintroll, and a little goose-fleshy thrill of excitement came over them at the thought.

Sniff started to snuffle about. He looked at the sun, felt the direction of the wind, sniffed the air, and in fact behaved in every way like a great Path Pioneer.

CHAPTER 1

In which Moomintroll, Snufkin, and Sniff find the Hobgoblin's Hat; how five small clouds unexpectedly appear, and how the Hemulen finds himself a new hobby.

One spring morning at four o'clock the first cuckoo arrived in the Valley of the Moomins. He perched on the blue roof of Moominhouse and cuckooed eight times—rather hoarsely to be sure, for it was still a bit early in the spring.

Then he flew away to the east.

Moomintroll woke up and lay a long time looking at the ceiling before he realized where he was. He had slept a hundred nights and a hundred days, and

his dreams still thronged about his head trying to coax him back to sleep.

But as he was wriggling around trying to find a cozy new spot to sleep he caught sight of something that made him quite wide awake—Snufkin's bed was empty!

Moomintroll sat up. Yes, Snufkin's hat had gone, too. "Goodness gracious me!" he said, tiptoeing to the open window. Ah-ha, Snufkin had been using the rope ladder. Moomintroll scrambled over the windowsill and climbed cautiously down on his short legs. He could see Snufkin's footprints plainly in the wet earth, wandering here and there and rather difficult to follow, until suddenly they did a long jump and crossed over themselves. "He must have been very happy," decided Moomintroll. "He did a somersault here—that's clear enough."

Suddenly Moomintroll lifted his nose and listened. Far away Snufkin was playing his gayest song, "All small beasts should have bows in their tails." And Moomintroll began to run toward the music.

Down by the river he came upon Snufkin who was sitting on the bridge with his legs dangling over the water, his old hat pulled down over his ears.

"Hello," said Moomintroll sitting down beside him.

"Hello to you," said Snufkin, and went on playing.

The sun was up now and shone straight into their eyes, making them blink. They sat swinging their legs over the running water feeling happy and carefree.

They had had many strange adventures on this river and had brought home many new friends. Moomintroll's mother and father always welcomed all their friends in the same quiet way, just adding another bed and putting another leaf in the dining-room table. And so Moominhouse was rather full—a place where everyone did what they liked and seldom worried about tomorrow. Very often unexpected and disturbing things used to happen, but nobody ever had time to be bored, and that is always a good thing.

When Snufkin came to the last verse of his spring song he put his mouth-organ in his pocket and said:

"Is Sniff awake yet?"

"I don't think so," answered Moomintroll. "He always sleeps a week longer than the others."

"Then we must certainly wake him up," said Snufkin as he jumped down. "We must do something special today because it's going to be fine."

So Moomintroll made their secret signal under Sniff's window: three ordinary whistles first and then a long one through his paws, and it meant: "There's something doing." They heard Sniff stop snoring, but nothing moved up above.

"Once more," said Snufkin. And they signaled even louder than before.

Then the window banged up.

"I'm asleep," shouted a cross voice.

"Come on down and don't be angry," said Snufkin. "We're going to do something very special."

SPOTLIGHT ON *HERO HIRO*

INTERVIEW WITH MICHAEL ADAMS

Keenspot: Coming off of KUNG FU LEGUME and ZOR, what made HERO HIRO the perfect next project for you as an artist and creator? What's it all about, Michael?

Michael: Each of my projects reflects different creative intentions. KUNG FU LEGUME was wild and irreverent—pure fun with a chaotic, slapstick rollercoaster. Rob and I created ZOR to reflect a more emotional place, exploring themes of loss, imagination, and friendship through a magical adventure. After those two, HERO HIRO felt like the perfect bridge between heartfelt storytelling and high-concept action. With HERO HIRO, Jeff and I wanted to explore what happens when incredible power is given to someone completely unprepared—a child—who has to grow into a role that was never meant for him at the same time, the main hero loses his powers so he must learn humility and how to be a hero without them. It's about legacy, responsibility, and self-worth, but told through the lens of a superhero origin story that flips the usual tropes. It continues the emotional core of ZOR, while letting me lean back into the comic book energy that I love, like in KUNG FU LEGUME. It just felt like the right time to tell a story that's both epic and deeply human.

Keenspot: What's it like working with writer Jeff McClelland on HERO HIRO?

Michael: Working with Jeff is amazing—he's genuinely one of the best writers I've ever had the pleasure to collaborate with. Honestly, how this guy hasn't been snatched up by Marvel or DC yet is beyond me. Jeff has this incredible ability to thread the needle between humor and heart. He can make you laugh out loud on one page and hit you with something deeply emotional on the next—and it all feels seamless.

What really sets him apart is his instinct for character. He doesn't just write jokes or plot beats—he understands people. He brings a level of emotional intelligence to the story that elevates every scene. With Hero Hiro, he immediately got the core of what we were trying to say: that power, legacy, and worthiness can be messy and complicated, especially for a kid. And he took that concept and ran with it in ways I never expected.

We were also incredibly fortunate to have two exceptional artists contribute variant covers to HERO HIRO #1— Phil Hester and Otis Frampton.

I actually met Phil years ago at a small convention in Moline, Illinois. He's someone I've admired for a long time—not just for his incredible body of work, but for how down-to-earth and generous he is with his talent. Phil's worked on iconic titles like *Green Arrow* with Kevin Smith, *Swamp Thing* with Mark Millar, and co-created *The Wretch* and *Firebreather*. His storytelling through composition and linework is just next level. To top it off, the inks for his HERO HIRO variant cover were done by the amazing Ande Parks, his longtime collaborator. Ande's finishes bring so much polish and depth—it's a dream team that I'm truly honored to have on this book.

Otis Frampton and I connected online as mutual artists, and I've long admired his vibrant and engaging artwork. Otis is the creator of the acclaimed graphic novel series *Oddly Normal* from Image Comics. His work spans various facets of the industry, including contributions to *Star Wars Adventures* and the popular animated web series *How It Should Have Ended*. Otis's unique blend of humor and heart resonates through his art.

Having both Phil and Otis lend their talents to HERO HIRO has been an honor. Their contributions not only enhance the visual appeal of the series but also enrich its artistic diversity, offering fans unique interpretations of our characters.

Keenspot: What else would you like to tell everyone about HERO HIRO so they really know what to expect?

Michael: HERO HIRO is a story about legacy, identity, and the complicated journey toward truly understanding what it means to be a hero. When the original Hero loses his powers—thanks to a curse that transfers them to the next worthy person—he's desperate to maintain the illusion that he's still the icon the world expects. So he leans on Hiro, a young boy who just inherited those powers, using him behind the scenes to keep up his corporate sponsorships and superhero image.

At first, it's manipulation—Hero clinging to fame and purpose, and Hiro just trying to figure out what's happening. But over time, their relationship changes. Hero is forced to confront his ego and learn humility, while Hiro begins to grasp the true weight and responsibility of the power he never asked for.

In the end, it's a story about growth—for both of them. They start on opposite ends of the heroic spectrum, but through struggle, failure, and hard-won respect, they each discover what being a real hero truly means. Expect action, humor, emotional depth, and a fresh twist on the superhero mythos.

HATE REVISITED!

By Peter Bagge

$19.99 / SC / 124 pgs / B&W / 7.3″ × 10.5″
ISBN: 979-8-87500-048-5

Legendary cartoonist Peter Bagge triumphantly returns to the series that defined a generation with this all-new *Hate* graphic novel.

Buddy Bradley and Lisa Leavenworth, now middle aged with a free-spirited young adult of their own, confront their own poor decisions as young people in the grungy 1990s. Expertly shifting between the present day (in full color) and their Gen X heyday (in glorious, crosshatched black-and-white), we learn for the first time the story of how Buddy met Lisa, Stinky, George, and Val. Meanwhile, Buddy is forced to come to terms with the tragic — and covered-up — circumstances of Stinky's untimely death in the original *Hate* series, while navigating elder care, contemporary politics, family and friendships.

Hate Revisited! expertly showcases Bagge's inimitable humor and knack for character, and the generational shift lends an unexpected gravitas to their lives. While the original *Hate* is indelibly rooted in a key pop cultural era, the themes and characters of *Hate* remain timeless. Misanthropy never gets old!

LOST MARVELS NO. 2: HOWARD CHAYKIN VOL. 1: DOMINIC FORTUNE, MONARK STARSTALKER, AND PHANTOM EAGLE

By Howard Chaykin

$39.99 / HC / 256 pgs / FC / 8.5″ × 11.4″
ISBN: 979-8-87500-036-2

Collected as part of our new Lost Marvels series, collaboratively produced with Marvel Comics, this new Howard Chaykin-centered volume of smartly imaginative scripts and beautifully designed art features Dominic Fortune, Monark Starstalker, and Phantom Eagle!

When Howard Chaykin broke into comics in the 1970s, there was nothing quite like him. His original characters Dominic Fortune and Monark Starstalker took classic pulp heroes and ran them through a postmodern blender. This new volume contains retro-science-fiction bounty hunter Monark Starstalker's debut appearance and all Chaykin's color-comic-book Dominic Fortune stories, including the character's unexpurgated Max series, published a generation later. Completing the package is the collision between pulp heroism and the devastating, bloody realities of World War I in Chaykin's 111-page collaboration with *The Boys* writer Garth Ennis on *War Is Hell: The First Flight of the Phantom Eagle*. The collection is introduced by author and comics scholar Brannon Costello. This second title in Fantagraphics' Lost Marvels series collects some of the most exciting, sought-after work by Howard Chaykin from 1975 to 2008.

BRAIN DAMAGE

By Kago

$29.99 / HC / 200 pgs / B&W / 7.1″ × 10.2″
ISBN: 979-8-87500-093-5

From the brilliant and twisted mind of manga artist Shintaro Kago, a new collection of short stories rife with skin-crawling suspense, visceral body horror, and pitch dark-humor.

In 2018, manga artist Shintaro Kago made his English debut with *Dementia 21*, a collection of absurdist manga short stories. Readers found themselves delighted and disgusted by his penchant for body horror, black comedy and the surreal paired with his emphatic, kinetic art style. Kago returns at the height of his powers with *Brain Damage*, where he dials up the gore and absurdity to new heights.

Brain Damage collects four new short manga stories, a tantalizing blend of the hilarious and the macabre. In "Labyrinth Quartet," four identical young women trapped in an eerie building must solve the mystery of why they've been gathered there — while being hunted by a knife-wielding stalker. In "Curse Room," a plucky health aide is tasked with keeping zombies peaceful, lest they go on a brain-eating rampage. In "Family Portrait," people throughout town are strangely disappearing without a trace, and the key to it all is a senile and perverted old man. Finally, in "Blood Harvest" a series of gruesomely mangled bodies are found in pristine cars — and it appears something sinister lurks within these masses of glass and steel.

- *Waiting for the Great Pumpkin* — Linus and his wait for the Great Pumpkin have been a pop culture touchstone for over 50 years thanks to the animated television special, and it all started in the classic Peanuts strips (1959-1962) collected in this fun-sized book.

"The Christmas Story" is an original tale created for *Woman's Day* in 1968, this one focusing just on Snoopy and the Van Pelt siblings, with Lucy and Linus each explaining the meaning of the holiday to Snoopy.

Our *Peanuts All Year-Round Mini Collection* features over 300 pages of comic adventures in five easy to read square format mini volumes inside a beautiful little slipcase. A perfect celebration for *Peanuts* fans of all ages!

SOCIETY IS NIX GLEEFUL ANARCHY AT THE DAWN OF THE AMERICAN COMIC STRIP 1895-1915 REVISED EDITION

Edited by Peter Maresca

$100.00 / HC / 168 pgs / FC / 13″ × 19″
ISBN: 979-8-87500-060-7

A revised and expanded edition of the Eisner-nominated book on the earliest American comics, with over 200 classic strips, by over 75 cartoonists: the "Founders of the Funnies."

"Mit Dose Kids, SOCIETY IS NIX!" So said The Inspector about the Katzenjammer Kids. But he could have been speaking of all comic strips in their formative years in the early 1900s. From the very first color Sunday supplement, comics were a driving force in newspaper sales, offering a wild parody of the world and the culture found in the surrounding pages. Society didn't stand a chance!

These are the origins of the American comic strip, born at a time when there were no set styles or formats, when creators had the freedom to experiment, when artistic anarchy helped spawn a new medium. The genesis of comics is laid out in a dozen essays by the greatest in their field — historians like Thierry Smolderen, Brian Walker, Alfredo Castelli, Bill Kartalopoulos, Paul C. Tumey and others. And in the second, revised edition of this seminal collection: over 200 comic strips! The earliest comics by acknowledged greats like R. F. Outcault, George McManus, Winsor McCay, and George Herriman, along with creations of more than fifty other superb cartoonists, known and unknown.

The classic strips, most not printed in over 100 years, are presented in their original colors at the incredible oversized format Sunday Press is known for: all the better to see the comics that would inspire the next century of comics to come!

Writers: Courtland Cox, Jennifer Lawson, Alfred Hassler & Benton Resnik

Artists: Jennifer Lawson & Unknown

Cover Artist: Domo Stanton

Reintroducing classic as well as forgotten comics published during the social movements of the fifties, sixties, and seventies, ***Comics of the Movement (COTM)*** connects modern readers to the comics which inspired and educated past generations. With historical context, interviews with surviving creators, and original research, ***COTM*** provides the history of civic responsibilities, social struggles, and tactics of organizing and protest for students of today. In just the first issue, the Lowndes County Freedom Organization (LCFO) comics from the Spring of 1966 are reprinted for the very first time and are paired with the classic 1957 comic ***Martin Luther King and the Montgomery Story (MLKMS)*** from the Fellowship of Reconciliation. These pieces provide a broad look at the comics used during the southern Civil Rights Movement, ***MLKMS*** being the first comic used to inspire the student movement, along with the student-produced LCFO comics, which feature comics' first Black Panther—predating both the Marvel character and the founding of the Black Panther party.

THE FIRST NEW CRIMINAL BOOK IN FIVE YEARS!

With the Prime Video adaptation premiering soon, crime comic grandmasters ED BRUBAKER and SEAN PHILLIPS return to their most acclaimed series with a new standalone graphic novel: THE KNIVES.

A sprawling **CRIMINAL** epic, **THE KNIVES** is the most ambitious tale **BRUBAKER** and **PHILLIPS** have ever tackled. Three dark journeys wind around each other over a decade, like sharks hunting for a kill.

Cartoonist Jacob Kurtz goes to Hollywood in the era of peak TV to work on an adaptation of his comic strip, only to find himself caught up in the life of his aging aunt and the vultures circling her estate. Angie was raised at the Undertow, but now everything she loves has been taken from her. She's on the streets with vengeance on her mind, her eyes set on the city's kingpin. And finally, Tracy Lawless is home from the special forces, finally a civilian again, but he's in bad shape and this city has always brought out the worst in him.

These three tales collide in **THE KNIVES**, a breathtaking noir story about greed, ambition, heartbreak, and blood ties. A must-have for all **BRUBAKER** and **PHILLIPS** fans!

Here's the thing... In times of crisis, Jacob usually froze.

Shut down.
Like an overwhelmed deer in car headlights.

And he'd always been like that.

When he was a kid, his friends fought his battles for him...
Since Jacob would just stand there and let the bullies spit on him...
And steal his lunch.
HEY - YOU [redacted]
LEAVE HIM ALONE!

This isn't to say Jacob had no violence in him...
During mental breaks, he'd hurt people...
But he was on a lot of medication now to prevent that happening...

Another one of his old group, sort of...

The older brother who made fun of them for being nerds back then.
OH MY GOD...
ARE YOU LITTLE FREAKS PRETENDING TO BE ELVES?
[redacted] OFF, TRACY!

Tracy had spent thirty years in the Special Forces and when he'd finally come home for good, he was damaged.
A mess of badly healed injuries and PTSD.

Jacob visited him at the VA hospital when he was recovering and found him a sad sight...
Lost.
Disconnected.
HEY MAN... LEO TOLD ME YOU WERE HERE...

It was one of those moments, where you realize everyone you grew up with was suddenly old...
HEY... JACOB...
HEY...

And Tracy had never been much of a talker...
...AND THEY TORE DOWN YOUR OLD HOUSE LIKE TEN YEARS AGO...

But now you got the sense he stopped listening halfway through whatever you were saying, too...

A year later, Jacob heard he was working security at the docks...
Night watchman.

He'd see him there sometimes when he was driving home...
Reading a book in the middle of the night.

But this was the first time Jacob had reached out since the hospital...

And he felt pretty guilty about that...
JACOB? EVERYTHING OKAY?
NO... NOT REALLY...

IT ISN'T.
SOMETIMES YOU SAY TWO DIFFERENT THINGS AT ONCE AND I LOSE YOU-- SHOULD WE STICK TO MIRZA'S STORY?
THIS IS IMPORTANT.
I WILL TELL THAT TOO.
GO AHEAD. WHAT ARE THE THREE THINGS?--

SET ME STRAIGHT...
SOMETIMES, YOU DON'T HAVE TO RAISE YOUR FACE ERECT TO THE STARS AND SQUINT FOR YOUR CHANCES.
GUESS WHAT?-- I HAD TO TILT MY GODDAMN HEAD DOWN TO THIS GODDAMN EARTH YOU LEFT US, AND MAKE A CHOICE--
--AND THEREFORE, HERE I AM WHERE I AM.
I'M SORRY TO HEAR THAT.
IF YOU ASK ME, WHICH YOU NEVER DO, NONE OF THIS SOUNDS GOOD. NONE OF IT MAKES SENSE.
YOU SAID IT YOURSELF. BUT THIS ONE IS A PARTICULAR ONE.
TRASH THIS MODESTY THAT KEEPS YOU BACK. YOU'VE NEVER HAD A LOT OF LUCK OR MANY CHANCES TO CHOOSE FROM.

"A long and bloody road trip, one well worth taking." —AIPT

Set in the same world as the films *Moon* and *Mute*, MADI is a cerebral cyberpunk graphic novel about a team of veterans who have taken on corporate mercenary work to pay for the upkeep of technological enhancements that have turned them into human drones.

Madi Preston, a veteran of Britain's elite J-Squad, is burnt out and up to her eyeballs in bills for her cybernetics' upkeep. When she takes an off-the-books job that promises to eliminate her and her sister's debt, the corporate secret she's hired to steal is not at all what she expects...and she finds herself on the run from everyone she's ever known. In a globe-spanning adventure from Shanghai to Soho, Madi has to stay one step ahead of the giant corporations closing in on her from all sides.

MADI is the third story in director **DUNCAN JONES**' Mooniverse following the films ***Moon*** and ***Mute*** and features stunning art from a murderers' row of comic greats: **PIA GUERRA**, **SIMON BISLEY**, **ANNIE WU**, **GLENN FABRY**, **JAMES STOKOE**, and more!

Guardian of the Sky Realms
The Sky Realms Chronicles

Maree Webster hates school and is obsessed with angels and fallen angel stories. Life is boring until she decides to steal a famous painting from a small art gallery that has been haunting her dreams: swirling reds, grays and oranges of barely discernible winged figures.

There, she meets a stranger who claims to know her and stumbles into a world where cities float in the sky, and daemons roam the barren, magma-spewing crags of the land far below.

An all-new interpretation of Tatsuo Yoshida's classic manga/anime, *MachGoGoGo*, known to Western audiences as Speed Racer!

Speed Racer lives for the thrill of the race, but on the underground circuit, the rules are anything goes. Dodging bullets, explosions, and dirty tricks, he's got one goal: to prove he's the best. But when a dangerous syndicate targets his family, Speed's greatest challenge won't be on the track...it'll be on the streets. With the police closing in and a masked racer lurking in the shadows, Speed is about to learn that some races can't be won with horsepower alone.

Award-winning writer DAVID PEPOSE (*Space Ghost, Captain Planet, Savage Avengers*) and superstar artist DAVIDE TINTO (*Ultraman: The Mystery of the Ultraseven, Star Wars: Bounty Hunters*) co-pilot an action-packed reboot of the classic franchise.

And Cliff is their newest recruit, a comic creator who's just realized his world isn't real-in fact, it's a complete fiction that literally exists inside a novel. The other members are misfits like him, pulled from books that couldn't be saved: a manga samurai, a barbarian tiger, a kid from a comic strip, and a vampire assassin. Outclassed by the other members, Cliff sets out to prove his worth to the team as they fight to save as many books as possible.

EACH DAY WE GET A NEW SET OF SUBMISSIONS--BOOKS THAT APPEAR ON A SHELF IN THE CENTER OF THE LIBRARY.
MOST OF THEM ARE GOOD TO GO, BUT A LOT OF THEM NEED FIXING. IT'S UP TO ED TO MAKE THE HARD DECISIONS...

THE NAZIS SHOULDN'T BE IN FRANCE UNTIL 1940-- IF A WRITER CAN'T EVEN GET THE DATES RIGHT, I'M NOT SURE WHETHER ANY OF THIS IS WORTH SAVING.
IF WE CAN'T SAVE IT, CAN WE AT LEAST HAVE FUN BLOWING UP A BUNCH OF KRAUTS?
AND THE POWER-METER I SAW ON THE WALL IN THE OTHER ROOM--THAT'S OUR SUCCESS RATE?
THAT'S WHY FAILING AN EDIT IS SO BAD--IT CAUSES THE METER TO TAKE A BIG HIT.
AND WE COUNTER-ACT THAT BY PUBLISHING GOOD BOOKS?
EXACTLY.
CORRECT--IF IT GOES DOWN TO ZERO, THE ENTIRE PROGRAM WILL COLLAPSE.
NOT ONLY WILL WE DIE, BUT SO WILL THE UNPUBLISHED BOOKS WE COULD HAVE SAVED.
JESUS, I THINK I MIGHT HAVE ANOTHER PANIC ATTACK.
HOW ABOUT SOME FRESH AIR?

NOT REALLY. I HATE DRAWING CARS--THEY'RE SO DAMN HARD!
BUT A SCI-FI NERD SHOULD KNOW WHAT A DELOREAN IS.
OF COURSE. JUST TRY AND KEEP IT UNDER 88.

BY READERS, YOU MEAN THE FLESH AND BLOOD HUMANS WHO READ THE BOOKS?
EXACTLY!
HAVEN'T YOU EVER LOVED A BOOK SO MUCH THAT IT FELT REAL? WE MIGHT NOT EXIST IN THE SAME WAY READERS DO, BUT IN MANY WAYS OUR WORLDS ARE JUST AS IMPORTANT.
NOT ONLY DO WE COEXIST WITH READERS, WE OUTLIVE THEM.
I DON'T KNOW--
THINK OF IT ANOTHER WAY--YOUR WIFE DIED OF CANCER, RIGHT?
HOW DID THAT MAKE YOU FEEL?

AWFUL. I TRIED TO SAVE HER--THREW MYSELF INTO MY WORK HOPING TO OFFSET THE MEDICAL BILLS. I WASN'T EVEN THERE WHEN SHE DIED. I WAS AT A STUPID COMIC CON.
AND NOW YOU'RE TELLING ME IT WAS ALL FICTION, THAT HER CANCER WAS A PLOT TWIST, AND MY DEPRESSION WAS A STORY ARC.
BUT IT WAS REAL TO YOU, WASN'T IT?
OF COURSE.
THAT'S MY POINT. THAT'S WHY THESE BOOKS ARE WORTH SAVING, YO.
YOU'RE STILL YOU, CLIFF! NOT MUCH DIFFERENT THAN A READER.

TRADE PAPERBACK!

The clock is ticking for planet Earth and the race is on to find a new world capable of sustaining human life. New, sophisticated machine lifeforms called Astrobots are dispatched to scout far-flung worlds in the hope of crafting a new home. With food and raw materials running out and climate disasters escalating, the evacuation of the entire human population is the only slender hope remaining.

On Colony World 1, a catastrophic power struggle forges a new – all-Astrobot – society, and presiding over this nascent civilization is **Atlas**, an evolved mech with a future-proof plan. A plan that does not include humankind.

GRAPHIC NOVELS

WILL EISNER
A COMICS BIOGRAPHY

Stephen Weiner (writer), Dan Mazur (art)

Explore the life of Will Eisner, one of the most influential artists in the history of comics through the most appropriate medium: a graphic novel! From his immigrant roots and childhood in New York, starting his own comics studio and business, and the creation and publication of his beloved comic, The Spirit, through popularizing the term "graphic novel" as the result of trying to convince a general trade publisher to publish the groundbreaking A Contract with God, you'll follow along in Eisner's life journey.

With the most prestigious comics awards named after him, Will Eisner is forever celebrated not only in what he created but his unerring belief in comics' capacity to be better, to reach higher, to be a full art form in its own right. This is the life of this man of vision who helped to put comics on the map.

Includes an afterword by Jeff Smith (Bone, RASL, Tüki)!

BEHOLD: A BLOODY NEW ONGOING SERIES! Out of the ashes of *EPITAPHS FROM THE ABYSS*, we usher THE TORMENTOR—a new horror host with an unhealthy interest in human anatomy—into the shadow-strewn halls of EC Comics history for our next monthly horror anthology! Hold onto your head (if it's still attached) . . . because no one escapes THE CATACOMB OF TORMENT!

For Her Royal Travesty of Pain's first request: Master storytellers John Arcudi (*B.P.R.D.*) & Tonči Zonjić (*Black Hammer: Skulldigger & Skeleton Boy*), Matt Kindt (*BRZRKR*) & David Lapham (*Stray Bullets*), and Marguerite Bennett (*Batwoman*) & Dan McDaid (*Shazam!*) each take turns manning the rack and turning the red-hot irons for three all-new and blisteringly brutal tales of mayhem and malice in the undying EC tradition!

Plus, as an added bonus: A surprise classic from the EC vaults, painstakingly remastered and newly restored to its original coloring.

The critics are already saying, "This is literal torture" and "Please make it stop!" Pick up this fearful 40-PAGE FIRST ISSUE—and the Tormentor might just consider letting them go!

AFTER 15 YEARS AND A MILLION BULLETS . . . THE SIXTH GUN IS REBORN!

In 1866, out of the ruins of the failed Confederate uprising, a race to claim six objects of unfathomable occult power began, thrusting the fate of humanity into the hands of an ordinary young woman and a hard-nosed gunslinger who, together, were our last, best hope to forestall Armageddon.

They prevailed, but at a terrible price.

But that was then. This is now. Three decades later, as the gears of a new millennium begin to grind on the cusp of the 20th century, THE SIXTH GUN is about to be REBORN once more—as it has been countless times across the eons. This time, however, a brigade of familiar fighters lies in wait to meet THE SIXTH GUN's nigh-limitless power head on . . . alongside a secret cabal that wish to harness its unspeakable power to incept a new century of war, genocide, and suffering.

Only one can survive to claim victory. THE BATTLE FOR THE SIX starts now!

In celebration of 15 years of one of the most beloved smash-hits in the history of creator-owned comics, return to the Eisner Award–nominated world of *THE SIXTH GUN* as co-creators Cullen Bunn (*Harrow County*) and Brian Hurtt (*The Midnite Show*) reunite for an all-new, self-contained entry point into the acclaimed saga that fantasy icon Michael Moorcock calls “an epic in its own right”—as told across three extra-sized, ad-free issues in a deluxe prestige format!

Legendary science-fiction novelist Benjamin J. Carp has just been resurrected 40 years after his death . . . and that's not even the strangest thing that's going to happen to him today.

In an effort to unravel the mystery of author Benjamin J. Carp's unexpected reappearance, Benjamin and his newfound companion, Marcus, travel to the arid Joshua Tree desert, where they discover the secret lair of a cabal of scientists eager to revive the minds of some of history's greatest thinkers in an effort to save humanity from its greatest weakness: lack of imagination. Are they to be believed . . . or is this just more sci-fi hokum torn from a chapter in one of Carp's beloved novels?

Edgar Award nominee and Philip K. Dick Award–winning novelist Ben H. Winters (EC's *Cruel Universe*, *The Last Policeman* Trilogy) teams with rising star Leomacs (EC's *Epitaphs from the Abyss*, *Basketful of Heads*) to recite the next haunting chapter of 2025's mesmerizing science-fiction daydream with profound implications for the fate of the universe, as delivered in a prestige, ad-free format.

WRITER KRIS BERTIN **ARTIST/COVER** ALEXANDER FORBES

Return to Hobtown, the charming rural village in Nova Scotia at the heart of surreal and haunting mysteries, and home to the after-school Teen Detective Club dedicated to solving them. The third must-read volume of the page-turning series that *The New York Times* calls "forceful and haunting" starts here for the first time ever in a fully colored edition from creators Kris Bertin and Alexander Forbes!

The lines between conspiracy and reality tangle during election season in Hobtown as a new-old member of the Teen Detective Club surfaces to challenge Dana's leadership and redirect the group's attention back to the discounted but pressing concern that "ALIENS!" are among us. On a grander scale, amid the town's hotly contested mayoral race, the arrival of a flying saucer and a chaotic "Ape Lord" being pursued by the local Knitting Circle have the teen sleuths of Hobtown unsure if they're coming or going, as literal backward thinking tears at the threads of their friendships and their grasp on their latest case . . .

Lamont's father was not a good man. And now Lamont's father is dead.

When Lamont arrives in the tiny Appalachian town of Heaven, West Virginia, its lush landscape feels stubbornly at odds with the roiling anxiety that's come to define his inner life. Living there and learning the art of foraging and tea-making from his kind, stoic aunt LaToya should be idyllic—even a paradise. But in the shadows of Heaven's woods, Lamont sees a dark, hulking figure, long, glimmering teeth, and piercing red eyes. No one else seems to see this beast . . . not his aunt, and not the handsome cowboy, Coyote, whose gentle voice evokes the comforting, electric aroma of LaToya's brews. Escaping its voraciously hungry pursuit feels impossible, and Lamont will have to face more than the darkness of the woods to do so.

A singular and seductive meditation on the complexity of grief, healing, and the power of the natural world by cartoonist Ravi Teixeira (*A Quick & Easy Guide to Coming Out*).

From two of the hottest creators in the American manga scene—writer Josh Tierney (*World Piece*, *Iris Complex*) and artist JeyOdin (*Rick and Morty: The Manga Vol. 1: Get in the Robot, Morty!*; *Hammer*)—comes a story of teen love, school pride, and extracurricular international warfare in *Rick and Morty: The Manga Vol 2: After-School Science Club*!

Morty falls in love at first sight with the new exchange student from Japan—Chigusa—and when she shows him her favorite manga about after-school clubs, he knows just the advisor for his hastily constructed new Science Club: Rick Sanchez. With his ragtag group of teen losers (plus Chigusa) and a cursory knowledge of Japanese school clubs he picked up from skimming Morty's manga, Rick leads the club in a competition against the preexisting, sanctioned, totally normal Science Club, creating a portal to Akihabara, nexus of anime and manga culture, and famous home of Tokyo's maid cafés. Brimming with inspiration from their trip (and chased out of the country by the maids who have turned on Rick) the Science Club prepares for their school festival with a maid café of their own making—a science maid café selling questionable concoctions . . .

Cupid's Arrows vol 1

Graphic Novel (1 of 2)

Writer/Artist: **Thom Zahler**

From creator Thom Zahler, known for his work on Love and Capes, Time & Vine, and My Little Pony comes his latest Rom Com. When Rick and Lora say they've been colleagues for a long time, they mean it. For over 200 years, these partners have roamed the mortal world as real-life cupids – magic-wielding foot soldiers on the battlefront of love. Now it's the 21st century, and Rick and Lora are facing their most challenging case ever: bringing together a Type-A, career-driven woman and a former football player-cum-barista who couldn't be more different. The pair is perfect for each other (even if they don't know it yet) so the cupids will have to make sure their love arrows land, and do it all while they face their own unrequited feelings for one another. Will love win the day?

EVERYTHING SUCKS: Kings of Nothing

by Michael Sweater

Trade Collection
Mature Readers

Michael Sweater combines '90s animation nostalgia, sitcom antics, and a seasoning of stoner comedy in this hilarious comic collection, including all six issues of the *Everything Sucks* series along with a gluttony of bonus material.

Noah and Calla are high, hungry, and broke, but that doesn't stop them from finding the energy to mess things up even more. Between finding mysterious bags of blood-covered money, getting locked out of the house by maliciously smart cats, and nearly drowning in a bar bathroom, there's barely any time left in the day. They'll figure it all out in the end... probably.

This jam-packed collection features the entirety of *Everything Sucks*, including a never-before-seen sixth issue, and bonus sketches, art, and pages from the mind of Michael Sweater.

HERO CAVE

by Syd Madia

One-Shot Comic
Mature Readers

When the hero continues on their quest, the vanquished dust themselves off and get ready for work the next day. *Hero Cave* is a dungeon fantasy comic book for the rats, skeletons, and low-level monsters of the underworld.

Skeleton has a pretty easy gig: scare the adventurers that visit Hero Cave, get killed, get back up to do it all again. But there's only so many times you can be slain and revived before it gets old. After a poor performance review with the dungeon's sinister wizard, Skeleton spirals further into an existential crisis and wild frenzy. Is this all there is for them? Can they really be alive in an undead body? And how can they get out of here?

A hilarious, heartfelt take on the fantasy genre, printed with a foil-accented cardstock cover and vibrant spot color.

"It's impossible not to get sucked in by the warp and woof of Syd Madia's exuberant, funky linework! Many will find our hero's plight all too familiar, trapped eternally in an (un)dead-end job lining the coffers of a goofy, sociopathic boss. Madia (re) animates this existential dungeon crawler about a skeleton searching for embodiment with incredible charm and wit."

– Sami Alwani, *The Pleasure of the Text*

COMIC BOOK PREQUEL TO THE NETFLIX MOVIE, REBEL MOON

TITAN'S DIRECT MARKET COORDINATOR CHIEF STRIDE CHATTED WITH ACCLAIMED CREATOR GAIL SIMONE, THE WRITER OF ***REBEL MOON: NEMESIS***.

GAIL SIMONE - *REBEL MOON: NEMESIS*

CS: Writing a tie-in comic for an existing movie is no easy task. What drew you to this project?

GS: It's kind of odd, it feels a bit like fate. My family and I were watching *REBEL MOON*, and I immediately chose Nemesis as my favorite character by far. Something about her silence was very moving to me, and how she clearly related to the grieving mother in her fantastic opening sequence. I literally told my husband, "I want to know more about HER." And not that long after, I got the call from Zack to do that exact thing. Incredible!

CS: R*ebel Moon: Nemesis* is a prequel to the Netflix film *Rebel Moon - Part One: A Child of Fire*, from director Zack Snyder. How does the narrative of this series tie into the blockbuster?

GS: The remarkable thing about *Rebel Moon* is the depth of the worlds and characters. You could dig for a year and still be finding new aspects. But there's so many intriguing facets that haven't yet been shared. So this story is the tale of why Nemesis is so dangerous, and why she is in the depths of grief. It's full of action and vengeance, and there's a bittersweet quality to Nemesis throughout. Scenes in the film will have new context and layers.

CS: When we first encounter Nemesis in *Rebel Moon - Part One: A Child of Fire*, she appears to be a silent, steel-hearted warrior. Do we get to peek beneath this icy exterior in *Rebel Moon: Nemesis*?

GS: Absolutely, you don't wake up one day and become Nemesis. And we meet the woman she blames for her misery.

CS: Having witnessed her children be slaughtered, revenge is a key motivator for Nemesis but so is honor. How easy is it to balance these two desires when writing a character like this?

GS: I don't find that contradictory at all. You can be the most honorable being in the universe, but it doesn't mean some people don't need a good ass kicking once in a while. And Nemesis is there to provide that.

CS: How did you balance creating a story for *Rebel Moon: Nemesis* that stoodout on its own while also linking to the film?

GS: To me, a lot of the fun in genre storytelling is the extended universe, the stories that grow from the stories. To me, Nemesis is the best character in the movie, but I know some other creators have their own favorites. I am hoping we see those stories, too! Zack is a terrific collaborator, he wants the best from everyone and is delighted to hear ideas, the wilder the better. It's a joy to be a small part of this universe, so I am grateful both to Zack and to Titan for making this happen and inviting me to the rebellion.

BRIGHTEST DAYS & DARKEST KNIGHTS

by JEFF MESSER and DEWEY CASSELL

HARDCOVER	$37.95	144 PAGES	FC	STD.
Lunar code 0325TM614		**Previously solicited**		

From underdog to icon, **MARSHALL ROGERS** helped redefine Batman for generations, inspiring readers and up-and-coming artists alike. Initially savaged by editors at DC Comics, his style was uniquely complex with vast and angular architectural design anchoring his storytelling, and it immediately caught on with fans for his depictions of the Darknight Detective, Hugo Strange, The Joker, Silver St. Cloud, Dr. Strange, Cap'n Quick and a Foozle, and more. And though his output was relatively small in comparison to many of his contemporaries, his impact outlived the artist himself, and inspired a loyal following and affection. Now, Rogers' story is told by friends, collaborators, and family members, delving deep into a complicated and conflicted man and his art, as we feature inker **TERRY AUSTIN**, friend and fellow artist **MICHAEL NETZER**, **DAN GREENFIELD**'s extensive interview with writer **STEVE ENGLEHART** (conducted for 13thDimension.com), and others recounting their time and camaraderie with Rogers, alongside an in-depth interview with **MARSHALL HIMSELF**, and a wealth of art both familiar and rarely seen. Written by **JEFF MESSER** and **DEWEY CASSELL** (authors of the Eisner Award-nominated *Mike Grell: Life Is Drawing Without An Eraser*), this book shines a light on the fan-favorite artist's brightest moments and darkest days. Featuring a new cover collaboration by **MARSHALL ROGERS** and **TERRY AUSTIN!**

AMERICAN MOVIE COMIC BOOKS (1930s–1970s)

From the Silver Screen to the Printed Page, by PETER BOSCH

SOFTCOVER	$34.95	192 PAGES	FC	STD.
Lunar code 0425TM754		**Previously solicited**		

In **AMERICAN MOVIE COMIC BOOKS (1930s-1970s)**, author **PETER BOSCH** continues his remarkable history of Hollywood's ongoing love affair with comic books. The sequel to **AMERICAN TV COMIC BOOKS**, this new book looks at hundreds of Tinseltown's motion pictures that made the jump from the silver screen to the comics page, starting from the days of **CHARLIE CHAPLIN** and continuing through to the wonders of **STEVEN SPIELBERG**. Along with comics story pages from the industry's greatest talents—including **JACK KIRBY, RUSS MANNING, AL WILLIAMSON, FRANK FRAZETTA, ALEX TOTH, DAN SPIEGLE, WALLACE WOOD, STEVE DITKO, JOHN BUSCEMA, GEORGE PÉREZ**, and **WALTER SIMONSON** (to name just a few!)—you will discover full-color photo covers, posters, original art, and much more! It's the ultimate reference for films from the Thirties to the Seventies that were adapted to comics, including *The Wizard of Oz, Ben-Hur, Around the World in 80 Days,* Disney's cinema classics and animated movies, *Yellow Submarine, 2001: A Space Odyssey, Star Wars, Alien, The Planet of the Apes* series, and many others. Don't miss this blockbuster, perfect for anyone who enjoys movies and comics alike!

THE BEST OF SIMON & KIRBY'S MAINLINE COMICS

edited by JOHN MORROW

HARDCOVER	$49.95	262 PAGES	FC	STD.
Lunar code 0125TM913	**Previously solicited**			

In 1954, industry legends **JOE SIMON** and **JACK KIRBY** founded **MAINLINE PUBLICATIONS** to publish their own comics during that turbulent era in comics history. The four titles—**BULLSEYE, FOXHOLE, POLICE TRAP**, and **IN LOVE**—looked to build off their reputation as hit makers in the Western, War, Crime, and Romance genres, but the 1950s backlash against comics killed any chance at success, and Mainline closed its doors just two years later. For the first time, TwoMorrows Publishing is compiling the best of Simon & Kirby's Mainline comics work, including **ALL OF THE STORIES WITH S&K ART**, as well as key tales with contributions by **MORT MESKIN** and others. After the company's dissolution, their partnership ended with Simon leaving comics for advertising, and Kirby taking unused Mainline concepts to both DC and Marvel. This collection bridges the gap between Simon & Kirby's peak with their 1950s romance comics, and the lows that led to Kirby's resurgence with **CHALLENGERS OF THE UNKNOWN** and the early **MARVEL UNIVERSE**. With loving art restoration by **CHRIS FAMA**, and an historical overview by **JOHN MORROW** to put it all into perspective, the Best of Simon & Kirby's Mainline Comics presents some of the final, and finest, work Joe and Jack ever produced together!

JACK KIRBY'S DINGBAT LOVE

edited by JOHN MORROW

HARDCOVER	$43.95	176 PAGES	FC	STD.
Lunar code 0125TM915	**Previously solicited**			

In cooperation with **DC COMICS**, TwoMorrows compiles a tempestuous trio of **NEVER-SEEN 1970s KIRBY PROJECTS!** These are the final complete, **UNPUBLISHED JACK KIRBY STORIES** in existence, presented here for the first time! Included are: Two unused **DINGBATS OF DANGER STREET** tales (Kirby's final Kid Gang group, inked by **MIKE ROYER** and **D. BRUCE BERRY**, and newly colored for this book)! **TRUE-LIFE DIVORCE**, the abandoned newsstand magazine that was too hot for its time (reproduced from **JACK'S PENCIL ART**—and as a bonus, we've commissioned **MIKE ROYER** to ink one of the stories)! And **SOUL LOVE**, the unseen '70s romance book so funky, even a jive turkey will dig the unretouched inks by **VINCE COLLETTA** and **TONY DeZUNIGA**. PLUS: There's Kirby historian **JOHN MORROW**'s in-depth examination of why these projects got left back, concept art and uninked pencils from **DINGBATS**, and essays by '70s Kirby assistants **MARK EVANIER** and **STEVE SHERMAN!**

This new volume in the ongoing "**MARVEL COMICS IN THE...**" series takes you all the way back to that company's legendary beginnings, when gunfighters traveled the West and monsters roamed the Earth! The company's output in other genres influenced the development of their super-hero characters from **THOR** to **SPIDER-MAN**, and featured here are the best of those stories not covered previously, completing issue-by-issue reviews of every Marvel comic of note from 1961-1965! Presented are scores of handy, easy to reference new entries on **AMAZING FANTASY, TALES OF SUSPENSE** (and **ASTONISH**), **STRANGE TALES, JOURNEY INTO MYSTERY, RAWHIDE KID**, plus issues of **FANTASTIC FOUR, AVENGERS, AMAZING SPIDER-MAN**, and others that weren't in the previous 1960s edition. It's author **PIERRE COMTOIS**' last word on Marvel's early years, when **JACK KIRBY, STEVE DITKO**, and **DON HECK**, together with writer/editor **STAN LEE** (and brother **LARRY!**), built an unprecedented new universe of excitement!
